

Senior Member Service Consultant

Are you looking for a position with an organisation that not only supports the community, but also the environment?

An exciting opportunity for a Senior Member Service Consultant to join our team at our Gold Coast Service Centre located on the Griffith University Campus.

The position will report to an off site Service Centre Manager who is responsible for the Service Centres located on Griffith University campuses at Nathan and the Gold Coast. The successful applicant will be responsible for assisting the Manager to achieve sales and service target, ensuring efficient operation of the Service Centre and leading and motivating Member Services Consultants to achieve Service Centre and personal goals.

The ideal candidate will have a strong experience in a sales environment within a financial institution, the proven ability to positively drive performance in staff through coaching and leadership, and a sound knowledge in lending. FSRA Tier 2 accreditation is required.

So if you have proven experience working in a bank or credit union and a desire to assist in leading a small passionate team to success you should send us your application now.

Salary packages of up to \$62,000 (depending on experience) will be offered to successful candidate.

To apply, send a letter of application and resume to:
