

# Looking for a quick and simple way to accept payment from your customers?

You already know Travelex as the world's largest foreign exchange specialists. Now we offer another service to Credit Union Members – in partnership with Pulse International. Travelex provides a complete merchant acquiring solution, without you having to settle your funds into another bank account!

The Travelex solution covers competitive merchant fees, streamlined settlement and comprehensive support – plus additional revenue opportunities for you with innovative features like Dynamic Currency Conversion, and marketing advantages.

## ... Travelex is the answer!

To find out why many Credit Unions members already obtain merchant acquiring solutions through Travelex, contact your local Credit Union representative.
